150

Panoramic Sliding Door

Product Features :

- 150 Automatic Panoramic Sliding Door
- Sleek 25mm frame for breathtaking views.
- Massive yet stable panels (3m x 6m, 1000kg load).
- Flush, self—draining track for all weather. Smooth, rock—solid operation

130+195

Heavy-Duty Lift Sliding Door

Product Features :

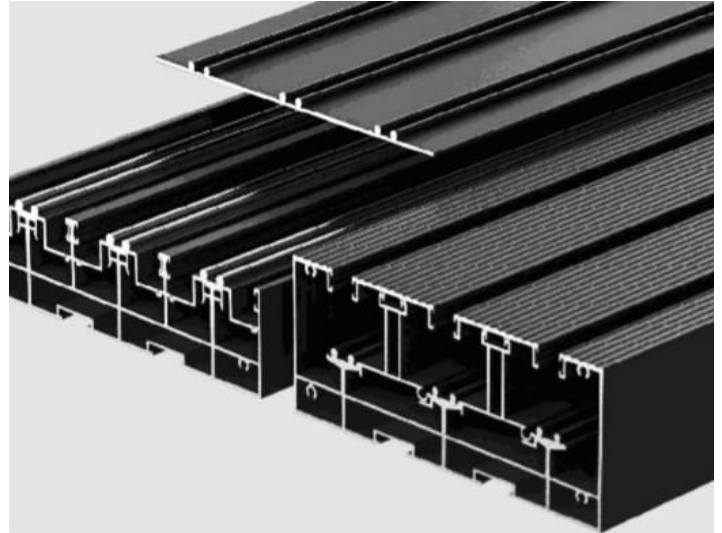

- ☐ Hidden bottom rail floor drain design
- ☐ Lifting sliding for better sealing performance
- ☐ Os Positioned at will, easy to adjust the ventilation area
- ☐ Sound and heat insulation, energy efficient

50

Slim Sliding Door Automation

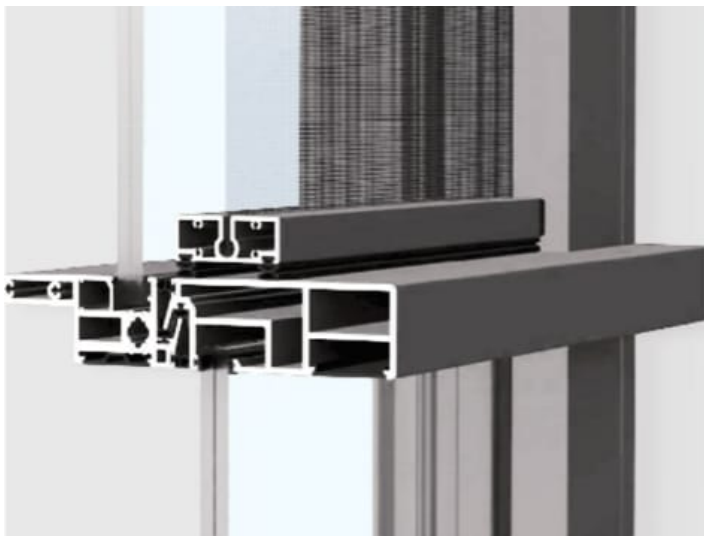

Product Features :

- Access - Remote control and touch ability
- Side visible surface 40mm+slim interlock 18mm
- Available in 52, 65 and 75 Vertical door frame
- This two track width 106, three track 159
- Vertical door frame with Hook visible surface 18.5mm

ZP 150

Motorized Vertical Sliding Window

Product Features :

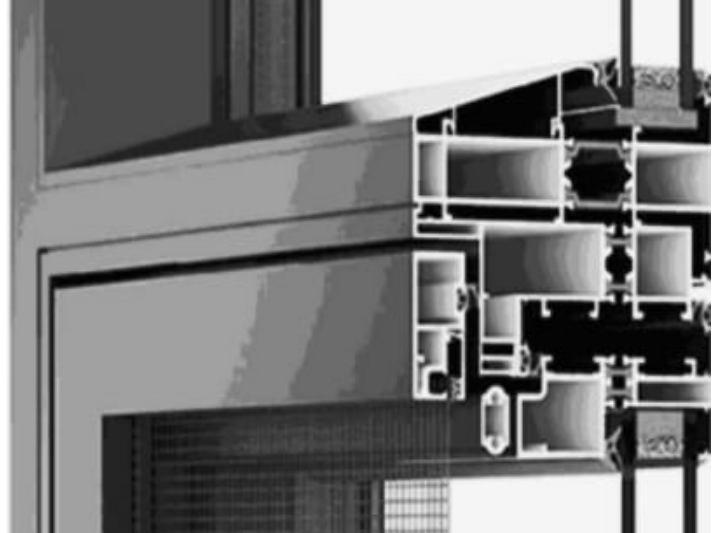

- ☐ Two motors, chain drive, wide-field of view
- ☐ Rain sensor, automatic closing when it rains
- ☐ Maximum width 4.8m, maximum height 2.5m
- ☐ Infrared anti—pinch design, can be equipped with anti—mosquito screens

DFZ 110

Casement Window

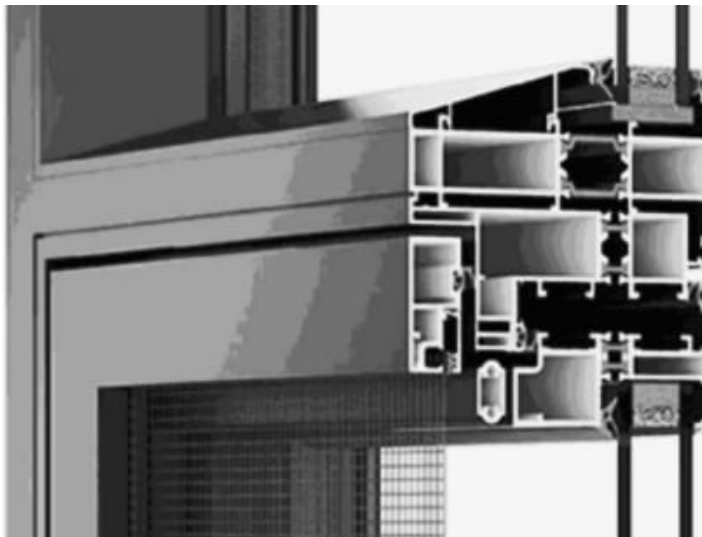

Product Features :

- ☐ Of Hidden bottom rail floor drain design
- ☐ Lifting sliding for better sealing performance
- ☐ Positioned at will, easy to adjust the ventilation area
- ☐ Sound and heat insulation, energy efficient

DFZ 120

Double Side Open Window

Product Features :

- ❑ Multi—cavity structure design, better thermal insulation effect
- ❑ Efficient airtight and watertight performance, new floor drain type drainage
- ❑ Ten kinds of opening programmes, 6 kinds of pressure line optional

68

Hidden Hinge Folding System

Product Features :

- This door can be up to 6m high
Good sound and heat insulation
- Anti—pinch design for better safety
- Automatic lock, hidden hardware

128

Floating Sliding Window

Product Features :

- ☐ Resistant to wind force 12, very good sealing
- ☐ 2 Superior drainage system
- ☐ Triple Track Profile
- ☐ Maximum span 7.5 meters
- ☐ Hidden track, easy to push and pull, easy to clean

Automatic 40mm Synchronised Door

Elegant 40mm minimal frame design.

High-performance rollers and advanced track system

Supports integration with motion sensors, access control systems, and smart automation
